“My clients have just returned and they had the most amazing time. Their guide was just superb and they couldn’t rate him highly enough. Thanks so much for arranging this trip of a lifetime for my special clients.”

“I just wanted to let you know that my clients were extremely happy with all arrangements done for them. They loved all the hotels, tours and the opera. They thought your travel documentation was fantastic as well. Thank you very much again.”  
*Vanesa, Travel Agency Manager, Sydney, July 2016*

“In a few words it was terrific, all the arrangements went like clockwork and the people involved were great to deal with. I have some good photos and memories which is what it’s all about!”

## About us...

It was 1987 when I co-founded Eastern Europe Travel, and here we are 30 years later (Is it that long?) as the most respected and longest established travel specialist and innovator to this popular region. During that time we have assisted tens of thousands of travellers to enjoy outstanding, memorable holidays, in countries as diverse as Austria, Croatia and Romania. And many satisfied clients have taken the time to thank us and tell us about the wonderful time that they have had - a few recent ones you will see below.

Our continued success is no doubt due to the fact that we create most of our packages ourselves. These are either displayed in our brochures, or created especially for individual clients according to their needs. No one does tailor-made better than Eastern Europe Travel. But most of all it is our knowledgeable, experienced and friendly staff who have ensured that we have been able to supply first class service for so many happy clients over the past 30 years. So I would like to thank them sincerely, and you for your support.

If you are travelling to any of our destinations in 2017, we are ready and waiting to assist you to enjoy the holiday of a lifetime in this fascinating region.

*Jayne Thomas, Managing Director*

## What’s popular for 2017?

### Stopovers

**Prague** - Our Prague stopovers are still the most popular, and provide a 4 day/3 night package inclusive of arrival and departure transfers by private car, a city tour, dinner at a local restaurant, a day trip to Cesky Krumlov, and accommodation with breakfast at your choice of 3, 4 or 5-star accommodation.

### Independent tailor-made tours

**Great Value City Combinations** - We have taken the most popular cities of Central and Eastern Europe and created combinations of three and four cities inclusive of accommodation in 3 or 4-star hotels, rail travel between each city, a sightseeing tour in each, and all transfers by private car. This offers you all the freedom and flexibility you desire, whilst at the same time ensuring that the most important elements are all pre-booked.

**South Dalmatia Island Hopping**- Enjoy the stunning beauty of the Dalmatian coast and its islands on this 9 day/8 night independent tour. Begin your travel on any day, and with your hotels, transfers, and catamaran ferry tickets all pre-booked, you’ll have time to unwind and explore at your own pace. Beginning in Dubrovnik for two nights, you’ll then travel to stay on the islands of Korcula for two nights and Hvar for two nights, before spending two nights in Split - a perfect tour for those who want to ‘do their own thing’.

### Escorted coach tours

**The Magic of Poland (7 days) & The Treasures of Poland (11 days)** - Our two most popular coach tours offer outstanding value for quality coach programs. You’ll stay in a mix of central 3 and 4-star hotels with breakfast daily, travel by modern air-conditioned coach, and enjoy extensive English only commentary and sightseeing with your professional tour escort. Transfers are included as are a number of specialty lunches and dinners.

### Privately escorted tours

**Transylvania Experience, Romania in Depth & Budapest to Sofia**- On our three most popular privately escorted tours, you travel in a private air-conditioned car with your own professional driver/guide, staying at quality 3 and 4-star hotels. Each day has a fascinating itinerary with included sightseeing and entrances and a number of unique highlights. If you want to stay a little longer in some places then no problem - this is your very own tour! Take the time to look at these three tours, and if you want a variation in length, change of itinerary or hotels, then just ask and we’ll create a tour just for you.
