MS Volga Dream experience

Welcome on board

From the moment you step on board the elegant MS Volga Dream you are made to feel welcome and know you are going to be spoilt. The attentive crew makes you feel immediately that this will be a special journey. With a ratio of 60 crew to 109 guests, this family owned and operated boutique river vessel offers a unique cruising experience with exceptional and friendly service.

Your ship

MS Volga Dream boasts many spacious public areas - the large Neva Lounge and Bar, seating all guests at one sitting, library, the Promenade Deck with ample seating

areas around the ship and the spacious Sun Deck and Ladoga Bar with lounges, seats and tables for all. With so few guests and so much space, you feel you are on board your own private ship. You have a wide choice of on-board accommodation, from Standard Cabins to Deluxe Staterooms and Suites and the ultimate Owner's Suite. All cabin and staterooms have an ensuite bathroom with separate shower, individually controlled air-conditioning, minibar, safe, satellite TV and classic décor.

Five-star hotel experience

The most important feature of the MS Volga Dream experience is that during your three nights in both Moscow and St. Petersburg you

stay in centrally located 5-star hotels. Gold program guests stay at the Marriott Royal Aurora in Moscow and Kempinski Moika 22 in St. Petersburg, while Platinum program guests stay at the St. Regis Nikolskaya or Ararat Park Hyatt in Moscow and Belmond Grand Hotel Europe in St. Petersburg. With most other cruise companies you stay on board your ship, which is moored at the river port on the outskirts of the city. Apart from the time spent transferring to and from your ship each day, opportunities for independent sightseeing are also strictly limited. On the MS Volga Dream cruise tour, your 5-star hotels are all located a few minutes' walking distance from the main attractions - enabling you to make the most of your free time. That's the Volga Dream difference!
