Luxury tour by private train

Welcome aboard your luxury private train, designed for discerning travellers who appreciate the finer things in life. These unique itineraries are designed to turn dreams of a lifetime into precious memories and take in some of the most culturally diverse destinations the world has to offer. We are showcasing the world's most iconic railway journey - the Trans-Siberian. Winter Wonderland departures are also available. Your car attendants provide an attentive and friendly 24-hour housekeeping service, with an attendant always on duty, and all tours are accompanied by an on board doctor to give primary care as required, 24 hours a day. In the evenings you may relax in the Bar Lounge Car and be entertained by the resident pianist.
