MS Tolstoy

87 cabins. All cabins are outside, with A/C, private bathroom and separate shower cubicle, picture windows (except cabins 303 & 304), fridge, hair dryer, small safe. On board facilities: walk-around open-air promenade deck, small pool, sauna, library, restaurant, 2 bars, tea/coffee station, Sun Deck, souvenir shop, first aid station.

Built 1986, refurbished 2009, 5 decks, 168 guests

Built in Austria using the highest quality materials, the MS Tolstoy was designed for high-ranking Kremlin officials and to host foreign dignitaries. Today, this ship is still one of the best tourist class ships in Russia, carrying a smaller number of passengers than average. It features spacious junior suites and suites as well as elegant public areas and wide, easy-to-navigate circular stairs.
